

# Forest Park Elementary Traffic Flow And Parking Guidelines

# Carpool Etiquette: Keep The Traffic Moving

Refer to the diagram included in this document for information on morning drop-off and afternoon pickup. These rules apply from 7:30am-8:30am, and 2:00pm-3:00pm.

## Drop-Off / Pick-Up Areas

- The **East Gate** on **Tyler Street** is drop-off/pick-up for **1<sup>st</sup>, 3<sup>rd</sup>, and 4<sup>th</sup>** grades.\*
- The **West Gate** on **Polk Street** is drop-off/pick-up for **Kindergarten, 2<sup>nd</sup>, and 5<sup>th</sup>** grades.\*

## Morning Drop-Off

- **Do not let your children out in the middle of any moving traffic lane**, as this blocks traffic and puts your child at risk of being hit. Use loading zones only.

## Afternoon Pick-Up

- Older siblings are to join their younger siblings at their specified gate.
- **Do not park or drive in the Bus Lane** on O Street, directly behind the school.
- No parking on the **left side of Polk Street** during afternoon pick-up. Buses and vans are unable to pass when cars are parked on both sides of the street.
- When entering the carpool line on the West side, please enter the line from **Sherwood Road** and do not cut in line by entering from Centerwood or Edgewood.

## At All Times

- Parking is available on the north side of **P Street** and the east side of **Tyler Street**.
- Please do not block the driveways of any of our neighbors.
- **Do not park in the loading zones**, with the exception of permit-only Pre-K parking at the front entrance.\*\*
- **Do not use mobile devices** while driving in the school zone.
- **Yield to pedestrians** in the crosswalks at all times.
- No parking in the designated teacher spots.
- Observe and respect the one-way signs. **Do not drive against one-way traffic** anywhere near the school.

*\*Student safety patrol members will be at these gates to help students in and out of cars.*

*\*\*Families of pre-K students will be issued a Pre-K Parking Pass for these spaces on P Street in front of the school.*
